November 4, 2005

Sam Hirji, President, Samco Printers Ltd.

Vancouver, B.C., I am pleased to announce that Samco Printers Ltd. has once again been recognized for excellence in printing by the International Association of Printing House Craftsmen. Three of the four pieces we submitted won recognition. **Samco was awarded one gold and two silver awards.** I am especially pleased that we were **also awarded the People's Choice Award.** We were chosen for this award by the printing professionals who attended the International Gallery of Superb Printing Awards Gala Banquet on October 29, 2005. Being recognized in this way by an award-winning group of our peers makes receiving the People's Choice Award a great honour.

The People's Choice Award and the Gold Award were presented to Samco for a piece entitled: *Menu – Dinner Honouring the Aga Khan.* The awards were received on Samco's behalf by Innis Pencarrick. To our customers: "Thank you very much for making it possible to produce these award winning pieces" and to each member of the Samco team: "Thank you for your contribution to our success again this year."
